01

## KEY DECISIONS

### Developing a Concert Economy in Assam

- Cabinet has approved the “Policy for Concert Tourism in Assam” which aims to position Assam as a premier music and entertainment tourism hub to host large scale concerts and music festivals
- Under this policy, state-of-the-art concert venues equipped with world class light and sound technology will be developed and Assam Tourism will support concerts with required VGF

### Boost to Production of Solar Power

- To fully exploit the solar power generation potential of the State, Cabinet has approved 'Assam Solar Power Generation Promotion Policy 2025' which aims to generate 3500 MW of Solar capacity by 2030 and attract private and public investments in the State to create around 15,000 jobs
- The policy will offer a host of features including industrial incentives, power procurement, single window clearance, infra development, waiving off transmission charges, electricity duty, etc.

### Upgradation of Lachit Barphukan Police Academy

- Cabinet has accorded Administrative Approval for Phase-2 Development of Lachit Barphukan Police Academy at a cost of ₹229.41cr, which is expected to be completed in 2 years

### A step ahead in Dibrugarh's Capital ambitions

- Cabinet has approved construction of New Assembly Complex and MLA Hostel in Dibrugarh at a cost of ₹284.03cr
