Assam Cabinet

KEY DECISIONS

01

Boost to Dairy Production

- To give fillip to dairy production in the State, Cabinet has approved to lease 20 Bighas of land to AMUL for setting up a State-of-the-Art Product Dairy Plant at Institute of Farm Management Campus, Rani
- AMUL will set up this processing unit with a capacity of 1 lakh litres per day at an appx cost of ₹75cr which may go up to ₹150cr
- This plant will benefit around 20,000 dairy farmers and is part of an MoU signed during Advantage Assam 2.0

Subsidised Foodgrains for the people

- Cabinet has approved the distribution of subsidized Masur Dal, Sugar and Salt to NFSA beneficiaries from October 2025 in select districts and from November 2025 in all districts
- Each commodity will be provided in separate packets to ensure customers have a choice to purchase individual products
- Post Govt subsidy, the final cost to the consumers will be:
 - ▶ Masur dal - ₹69/-
 - ▶ Sugar - ₹38/-
 - ▶ Salt - ₹10/-
